

2025 RESERVED PIT STALLS

Those who had a reserved stall (and used it) in 2024 will have first choice for a stall in 2025.

We'll give everyone until Feb. 1 to contact us and reserve their spot for 2025. We WILL NOT take new applications for reserved spots until after Feb. 1 and we're able to determine how many spots we'll have open. HOWEVER, you can contact us and put your name on a waiting list.

As in 2024 reserved pit stalls will be ROW A- \$100 , ROW B- \$75, ROW C and D- \$50.00

We will be enforcing the following term and conditions for reserving a pit stall in 2025.

- 1) If you are planning on only racing part time, or know you're going to miss several races please don't reserve a spot.
- 2) You must be in your reserved spot 30 minutes before hot laps each night or your spot will be given to someone else for that night. If you are running late and call us we will hold your spot for you. No call- no spot. Pit shack phone number 319-883-9984
- 3) If you miss 2 nights in a row, without contacting us, we will mark your reserved spot as an "open" stall available to anyone, including yourself, on a first come basis each race night moving forward.

We know circumstances beyond ones control can arise and we'll work with each driver on a per need basis to accommodate. Like last year we will be using the RV parking area to the SW of the track for overflow. This will also be where the Legends, Sprint Cars, and Late Models will pit.

To reserve your 2025 pit stall. Complete this form and mail with your payment to:
Specialty Racing Promotions 202 Grundy Ave. Reinbeck, Iowa 50669
